

I Have, Who Has

1. Shuffle the cards.
2. Give each kid a card, and give the extra cards to the volunteers.
3. One of the volunteers will start by reading off the “Who has?” part of their card.
4. The kid who has the answer to that card will read off their answer, and then the “Who has?” part of their card.
5. The game ends when all the cards have been used.
