

Can you sell it?

Goal: Successfully come up with a product, and persuade others to purchase it.

Materials:

- Half a poster board
- Paper
- Markers

Instructions:

1. Get in groups of 2-3.
2. Spend 10 minutes coming up with your product, and designing what it will look like on paper.
3. We will hand out your materials, do not touch them until you are instructed to.
4. Now, you may begin. You will have 30 minutes to make your poster, and make a 1-minute skit to sell your invention. WE WILL CUT YOU OFF AT ONE MINUTE
5. Once you finish, return materials, and clean your workspace.
6. Once every workspace has been cleared, sit quietly, and we will begin presenting the inventions!
